

## END2END BUSINESS SOLUTIONS, INC. WEBSITE PRIVACY POLICY

END2END Business Solutions, Inc. is committed to protecting the confidentiality of any personal information you provide. The customer is always the primary focus of END2END and we are committed to ensuring your privacy as you access our website. If you feel that END2END is not abiding by this posted Privacy Policy, you should contact us by sending an e-mail to [email@db311260624.com](mailto:email@db311260624.com).

### OVERVIEW OF OUR COMMITMENT TO YOUR PRIVACY

We will never sell your personal information to any unaffiliated third party without your consent.

Your privacy will be respected and the confidentiality of your answers will be maintained as described in this Policy.

Your name, address, phone number, personal information, and individual responses will only be used as described in this Policy and will not otherwise be disclosed to anyone without your permission.

We will clearly represent to you what we are doing through our Website.

We will maintain high standards of professional conduct in the collection and reporting of the information you provide.

This Privacy Policy applies only to users of the END2END Business Solutions, Inc's website, [www.db311260624.com](http://www.db311260624.com). Our website may contain links to other websites and when you click on one of these links, you will leave [www.db311260624.com](http://www.db311260624.com) and be taken to another website. We are not responsible for the content or practices of other websites. We encourage you to read the privacy policies of any website you visit.

### OUR ONLINE PRIVACY POLICY

Changes to this Privacy Policy:

Because our business is continuously evolving, our privacy policy may change. Whenever there are changes, the updated privacy policy will be posted on this page and will be effective at the time it is posted. Please check back regularly for updates to this privacy policy.

## Information Gathered by Us:

We gather information about visitors to our website to improve the information and services offered. There are two types of information we collect through our website: Visitor Information and Personal Information. How we collect this information is illustrated below.

## Visitor Information:

We routinely gather information about website activity. This information, "Visitor Information," is collected on an aggregate basis. Visitor Information may include information such as how many people visit our website, the pages people visit, the features they use, and how long they stay on our website. Visitor Information is generally gathered through the use of cookies.

## Cookies

"Cookies" are small files your browser places on your computer's hard drive as you use a website. We use both session ID cookies and persistent cookies. A session ID cookie terminates once a user closes his or her browser. A persistent cookie is a small text file stored on the user's hard drive for an extended period of time, and must be removed by the user. Our website uses cookies to make your online experience more convenient. For example, we may use a cookie to store your account information between sessions and to maintain information about Business Solutions you have requested during a session. We do not collect any Personal information from cookies. Also, no other information we collect from cookies can be linked back to your Personal Information.

## Personal Information:

We collect Personal Information when you complete an application, Business Solution request, online form, or survey. We retain Personal Information for only as long as necessary for the fulfillment of the stated purpose(s), or as required by laws and regulations. We also collect e-mail addresses of those who communicate with us via e-mail. We do not sell or share e-mail addresses to any third party.

## Use of Personal Information:

We do not sell, trade, or give away your Personal Information to anyone.

We may use your Personal Information to contact you when necessary to process your Business Solutions requests.

We may contact you about additional products and services offered by us. You can opt out of receiving any additional communications from us by following the opt-out procedures below.

We will only disclose your Personal Information to third parties when one of the following limited situations arises:

**Service Providers** – We may disclose your Personal Information to other companies that help us process or service your Business Solutions requests. Be assured that we will only disclose the portion of your Personal Information that is necessary to process or service your Business Solutions requests. These third parties are not allowed to use Personal Information except for the purpose of providing services for your Business Solutions requests. Depending on the type of information requested or business solution requested, service providers may include Microsoft, Partnering Relationships, credit bureau, a third party administrator, a bank, or a premium financing company. The companies we hire to process or service your requests for business solutions or correspond with you, are not allowed to use your Personal Information for their own purposes and are contractually obligated to maintain strict confidentiality.

**Legal Obligations** – We may disclose or report your Personal Information when we believe, in good faith, that the disclosure is required or permitted under law, for example, to cooperate with regulators or law enforcement authorities or to resolve consumer disputes.

Any third party disputes related to this privacy policy will be resolved according to End2End Solutions Inc., policies and contractual agreements with Business Associates, Licensed Microsoft Partners, and any other Service or Business Solutions Provider.

End2End Business Solutions, Inc., will comply with all applicable laws and regulations in the collection and handling of your Personal Information, including the Gramm-Leach-Bliley Act of 1999, the Health Insurance Portability and Accountability (HIPAA) Act of 1996, certain other laws, and End2End Business Solutions, Inc. policies.

Access – To gain access to the Personal Information you provided to us, you must contact END2END Business Solutions, Inc. If you need to make a change to your address or Business Solutions Request, a change form is available in the Contact Us section of the website.

#### Security:

Our servers use Secure Sockets Layer (SSL), the advanced encryption that safeguards Personal Information and Privacy. Unfortunately, data transmitted over the Internet cannot be guaranteed 100% secure. As a result, while we strive to protect your Personal Information, we cannot ensure or warrant the security of any information you transmit to us, and you do so at your own risk. This is especially true for information you transmit to us via e-mail. We have no way of protecting that information until it reaches us. Once we receive your transmission, we make our best effort to ensure its security on our servers.

Internally, we restrict access to Personal Information to employees who need access to the information in order to process your Business Solutions requests. These employees are limited in number, are committed to our privacy and security policies. Authentication is used to prevent access to Personal Information stored electronically. Physical security is maintained over Personal Information stored in hardcopy form. Special security safeguards are applied to sensitive information.

We will review our security arrangements from time to time, as we deem appropriate. Should you feel that there has been a breach to the security of this site, please contact us immediately at the e-mail address or the telephone number listed below.
